

Hi! Pastor Mich,

Thank you for your nice Easter Card full of encouraging words; we love encouragement, it makes us realize we are not alone for He is always with us. Sometimes, you begin to wonder how many people out there actually understand the nature of His work he entrusted to us but thank God for the few people who do. We appreciate you for the kind of godly and beautiful things you do to push others up to reach their God given goals, to focus on Him so that they can finish well and strong. We are grateful for the Camano Family's monthly support. May God fill all of you with His Spirit of wisdom and understanding for a continued growth in your knowledge of Him and bless the work of your hands in ministry.

On our part here in Ghana, God has directed our focus on deaf students this year to serve them with the gospel, disciple them since the enemy has targeted them, and that is where most of their problems originate. We have had a joint Palm Sunday Worship Service with them before they go on vacation. My family is doing well by grace and they extend their Easter wishes to you, family and the mission family as well.

Congratulations! for being a proud grandpa, I am praying with you and for your granddaughter, may the Lord embalm her with love, healing and growth. Remain bless and best regards to your wife. Thanks!

In Him,

Raymond.
