Here are several other ways to help complete our remaining milestones.

1. Consider **giving monthly** above and beyond your regular tithe.
2. Consider making a quarterly or annual **cash gift** above and beyond your tithe.
3. Consider gifting **appreciated stocks, bonds, and mutual funds**, or part of your 2017 IRA required minimum distributions (*Talk to your CPA about how to reduce your tax liability before the end of the year by giving to the Saratoga Hall building project*).
4. Consider naming the Foundation of Camano Chapel as a **beneficiary in your advanced directives, retirement accounts or life insurance** policies, turning a portion of these assets into life-changing gifts to God’s work through Camano Chapel.
