

Chapel Youth Camps

Swimsuits + Clothing

We ask that everyone dresses modestly.

We want the focus to be on God and building community, not on what people are wearing.

Boys: Modest swimsuits: board shorts, shorts/pants must be at or above waist line.

We ask that all **swimsuits and clothing** adequately cover appropriate body parts, regardless of style.

Girls: Modest swimsuits: One Piece, Tankini, Two-Piece swimsuits are allowed. Any style with strings is not appropriate. We ask that all **swimsuits and clothing** adequately cover appropriate body parts, regardless of style.

Adequately covering appropriate body parts means the 4 B's: backs, bellies, butts, and boobs. All 4 apply towards regular clothing and the last 2 apply towards swimsuits.

There are two sections at camp: Main Camp, and Waterfront.

Main Camp: Girls must wear a top (t-shirt, tank top, etc.) and shorts over swimsuits.

Guys must wear a shirt or tank top.

Waterfront: Modest swimsuits are allowed. We suggest wearing shorts while riding jet skis or inner tubes.

**We will ask anyone outside of these rules to change into appropriate clothing. If they do not have appropriate swimwear, we will provide a pair of shorts and athletic tank top if applicable.
